## Read, Listen, and Study Lectures of Imam W.D. Mohammed

### Quotes Attributed to Imam W. D. Mohammed

The Prophet Muhammad said, "If people were to know how good Ramadan is and the kind of good things it can do for people, they would wish that the entire year is Ramadan." I really wish that the entire year is Ramadan. -- Oct 29, 2004

Fasting, or abstaining from food and drink, is easy if you keep your mind on something that is worthwhile. During Ramadan, the Muslim keeps his mind or her mind on things that are valuable, important, good, and clean. --Sept. 1976

Remember, the Ramadan fast is not just a fast of physical food, it is a fast of the whole human body (whole human being). It is not just a fast for spiritual benefit, it is a fast for the benefit of the total person - physically, spiritually, mentally. -- Sept 1976

*Like the month of harvest reaps  
the seeds of your hard work, may  
this Ramadan reap the seeds of  
your good deeds.*

### Allah's Most Beautiful Names Describe His Power & Majesty

Once the new moon has been sighted to signal the start of Ramadan, Study Al-Islam will send each morning at 5:00am (ET) to your email, three of the most beautiful names of Allah to aid you in your knowledge and daily use insha'Allah.

Calling upon Allah by his names places emphasis on what one needs most in a particular instance; if one needs guidance, call upon The Guide, if deliverance, call upon the All-Deliverer, if mercy, call upon the All-Merciful.

As we increase our knowledge this Ramadan about Allah's goodness, perfection and truth, strengthen our faith and relationship with the Creator to achieve order and peace in our life, remember faith descends from a divine source: Allah.

To receive each morning the Beautiful Names of Allah, you must be subscribed to the Study Al-Islam Newsletter. To become a subscriber, visit studyalislam.com.

### For Which Verses Should We Make *Sajdah al- Tilaawah*?

Sajdah (prostration) is performed on reciting or hearing another person recite one of the Ayaat al-Tilaawah (Verses of Prostration) of the Holy Qur'an.

The locations of these verses are marked in the Arabic text of the Quran (*mus-haf*) with a symbol in the shape of a *mihrab*. The fifteen verses are:

Quran 7:206; Quran 13:15;  
Quran 16:49; Quran 17:107;  
Quran 19:58; Quran 22:18;  
Quran 22:77\* This verse is questioned as a verse of *sajdah* by some scholars. There are unconfirmed reports that early Muslims did not prostrate at this verse, but others cite a lack of evidence. So, some scholars count it while others do not;  
Quran 25:60; Quran 27:25;  
Quran 32:15; Quran 38:24;  
Quran 41:37; Quran 53:62; Quran 84:21; and Quran 96:19.

### DID YOU KNOW Inshallah and Mashallah

The literal meaning of Mashallah is "what Allah has willed", in the sense of "what Allah has willed has happened". It is used to say something good has happened, used in the past tense. Inshallah, literally "if Allah has willed", is used similarly but to refer to a future event.
